Florida Department of Elder Affairs provider: Alzheimer's disease and Related Disorders

With three personal hospice experiences and extensive nursing skills, Lois felt called to embark on her hospice career in 1998 in south Florida. Prior to joining Hospice of Marion County, Lois worked for two other hospice organizations. She was a nurse in hospice facilities, managed cases in the field, performed weekend triage, directed the admissions department, and verified insurance. Lois also worked as an ADON at two nursing homes and as a case manager for a home health organization in south Florida. Early in her career she spent time as an ICU nurse.

Lois is a member of Hospice and Palliative Nurse's Association. She was recognized in March 2008 as the Hospice of Marion County employee of the month. She was secretary of the Meadowwood Farms Property Owners Association and a member of the First United Methodist Church of Dunnellon. She volunteers with Hospice for various fundraising events and collects food annually for the Interfaith food bank.

She and husband Bob have two adult sons; Mark and Andrew. Lois enjoys camping, traveling, gardening and crafts.
