Prior to joining Hospice of Marion County in February 2008, Doug was director of nursing at Lifeline Home Health and patient care coordinator at Baycare Home Care. He spent several years before that as a traveling RN with StarMed, which brought him to Ocala in 1991. When he came to Ocala, he decided to move here full time. Before his nursing career began, Doug was a career U.S. Navy veteran retiring after 20 years in the service.

Doug enjoys golf, bowling, and traveling in his spare time. He is married to Jeannine, a human resources manager, and has three stepchildren: Daniel, Darren and Debbie. Doug is originally from Seattle where he enjoyed the outdoors while hiking and camping.

Over the years, Doug witnessed the many benefits of hospice services to his home healthcare patients. Several of his personal friends have been hospice patients as well. These experiences are part of what led Doug to his position with the company today.
