BA, Biology & Computer Science

MS, Computer Science

Holly grew up in Western Massachusetts along the historic Mohawk Trail, living there most of her life. She spent four years in Tewksbury, a suburb of Boston. She first became interested in computers in high school and began her career in 1986 working as Systems Administrator for the Deerfield Academy, a prestigious boarding school. She continued working in Education, going on to Winchester Public Schools and Shawsheen Valley Technical High School. Holly also served as the Assistant Technology Coordinator and taught classes at Northeast Metropolitan Vocational High School. In 2003, she shifted work environments and became an independent programmer and trainer for a software company. In 2004, she moved to Florida.

Holly joined Hospice of Marion County in 2006 as Senior Systems Administrator bringing nearly 20 years of experience in the field. She enjoys being surrounded by family, growing up with one brother and six sisters. Holly enjoys riding her bicycle and being outdoors and for relaxation, reads, knits and sews.
