She started at MRMC in 1978 as a staff nurse, moving up to Nursing Manager in 1986, Director of Surgical Nursing in 1991 and Director of the Medical Surgical Nursing Service in 1996. Jeanne served in that last position until 2005. Jeanne served on the Hospice of Marion County Board previously from 1994 to 1997.

Jeanne is a past member of the Florida Association of Nurse Executives, the Academy of Medical Surgical Nurses, the American Organization of Nurse Executives, the Florida Nurses Association, and the American Nurses Association.

A native of New York, NY, Jeanne is a parish nurse for the First Assembly of God. She sits on the CFCC Nursing Advisory Committee and the Ocala Royal Dames Appropriations Committee.

She has always considered that the benefits HMC can provide for patients far outweigh those of any organization. Jeanne feels it is an honor to serve again.
