Colleen came to Hospice of Marion County as an Admissions Nurse in January 2006 with more than 25 years of nursing experience. She began her career as a LPN in Wisconsin. After moving to Florida in the late 1970s, Colleen worked at Marion Citrus Mental Health, ORMHC, MRMC and West Marion Community Hospital. Today, she works at Estelle's and Sylvia's Houses as Assistant Patient/Family Care Coordinator.

Colleen has committed herself to being a wonderful nurse and mother. She is very proud of her daughter, Michelle, who is an educator in the Orlando area. She enjoys her many pets, including a dog and several cats. This family-oriented woman is always in high spirits and has a very big heart, according to her co-workers at hospice.
