Licensed Health Care Risk Manager

Sterling Examiner for the Florida Sterling Council (2006 - 2008)

Registered Health Information Technician (RHIT)

Certified Professional in Healthcare Quality (CPHQ)

Debbie joined Hospice of Marion County in November 1997 as the Quality Improvement Coordinator. Debbie has more than 20 years' healthcare experience in hospital and psychiatric facilities, as well as hospice programs. She has served as a manager in the areas of Quality Improvement, Risk Management and Health Information Management. Throughout her professional career, Debbie has worked during several transition periods where mergers and ownership changes have occurred and considers each of those challenges excellent learning experiences. According to Debbie, quality means ensuring we surpass the needs of our patients, residents and their families while exceeding the community's expectations of us.

Debbie was born in Valdosta, Georgia, but moved frequently due to the fact that she grew up in a military family. She is proud to be part of the Hospice of Marion County team. In her spare time, she enjoys camping, fishing and spoiling her grandchildren.
