Linda Snook has extensive experience in the health care sector. She has worked as a home health Administrator, Director of Professional Services, Director of Education and Health Care Vocations, Case Manager, hospital supervisor, and staff nurse. Linda has worked in a variety of environments including hospitals, home health agencies and an educational institution. She has worked in many settings including emergency room, intensive care and extensively with pediatrics. She realizes the value of hospice care because of two personal experiences; her mother and a close friend each had hospice care at the end of life.

A native of Akron, Ohio, Linda came to Florida in 1980 and to the Ocala area in 1997. She has served as a BLS and ACLS instructor for the American Heart Association. Among her achievements are recognition in Who's Who in Nursing, Who's Who in Young Professionals, and Business Woman of the Year in Charlotte County, FL. Linda is a member of the Case Manager Society of America and the Emergency Nurse Association.

In her spare time, Linda enjoys spending time with her family, including her three grown children. She likes to kayak, golf, and read. She attends Church at the Springs in Ocala.
