College

University of Florida

University of Florida

Hillsborough Community College

Degree

RPh (Honors)

BS, Pharmacy

AA, Chemistry (Honors)

Mike's work experience started in the United States Air Force as an Intelligence Operations Specialist. He then served as a Clinical Pharmacist with the Florida Department of Corrections. Mike also worked as a Pharmacist with Eli Lilly and Wal-Mart. His hospice career began with Clinical Therapy Systems in 1995 and then at Hospice of Marion County as Site Director for Hospice Pharmacia. In 1999, Hospice of Marion County purchased the site from Hospice Pharmacia to increase clinical oversight and reduce clinical formulary costs. At that point, Mike officially joined the Leadership Team as Pharmacy Manager.

This Florida native was born in West Palm. He is an Adjunct Professor at both the University of Florida College of Pharmacy and Central Florida Community College. Mike gave a presentation on the "Pharmacologic Management of Pain" at the NHPCO's Clinical Team Conference and Scientific Symposium in April 2006. He is a member of the American Pharmacists' Association, the American College of Clinical Pharmacists, Pharmaceutical Buyers Inc., Hospice Advisory Board, and the National Hospice and Palliative Care Association.

Mike loves playing his guitar and teaching. He and wife, Teresa, have two children: Michael-John, and Brittany.
