Shannon joined Hospice of Marion County in 2006 as a field nurse on the East Team, advancing to the position of senior nurse before assuming her PFCC role. She still works extra shifts as an on-call nurse because of her passion for patient care. Prior to working at hospice, Shannon worked at Munroe Regional Medical Center as the night shift team leader for the Medical/Surgical/Telemetry floor.

Shannon was born in Tampa at MacDill Air Force base and was raised in Ocklawaha, Florida. In her free time, Shannon enjoys kayaking, swimming, fishing, baking, nature photography, and writes poetry about special patients. She also has the distinction of being named Employee Excellence Award Winner twice during her tenure with the company.
