Florida State Registered Nurse

AANAC Certified MDS RN Assessment Coordinator

A native of Syracuse, NY, Amy has impressive nursing and clinical management experience in Skilled Nursing Facilities. Positions include Quality Assurance Specialist, Staff RN, Assistant Head Nurse, Nursing Supervisor and Assisted Director of Nursing. In one facility, she supervised the Palliative Care Unit, Assisted Living building and 132-bed long-term-care/rehab facility.

A few years ago Amy advocated for her very-ill grandmother to receive hospice services. The physician would not deem her grandmother hospice appropriate and she died within a month. Amy believes her grandmother could have had so much more life under the care of hospice. Upon her grandmother's death, Amy vowed to follow a calling to pursue a career in hospice. She relocated to Ocala/Marion County in 2010 to accept the position of ACT Team PFCC.

Amy is married to David and they have two children – Mackenzie and Luke. She enjoys landscaping in her free time.
