30-Hours Life Safety/Emergency Management

21-Hours Healthcare Engineering

As Facilities Director/Safety Officer, Bruce is responsible for overseeing all aspects of facility safety and maintenance for Hospice of Marion County and affiliated company locations including inpatient facility compliance with AHCA life safety requirements, OSHA and other regulatory mandates. In addition to supervising all maintenance staff, he provides emergency management and other safety related education to staff at all locations.

Bruce was employed with Superior Residences prior to the facility's acquisition by Hospice of Marion County. He was honored by receiving the Employee of the Month Award in July 2003. Bruce has maintained his certification of Assisted Living Core Training and also maintains an up-to-date knowledge level by attending regulatory and safety related courses as feasible. Bruce is a member of the FL Healthcare Engineering Association and participates in community emergency management planning.

Bruce brought more than twenty years of expertise in healthcare facilities to his current position. His project management skills were instrumental during the 2006 renovation for the opening of Tuscany House, 2007 renovation of SummerField Suites, 2008 renovation of Sylvia's House and the 2009 renovation of Estelle's House.

When he is not working, he enjoys being with his wife Kristine, fishing, golf and sports of all kinds. He has two children, Megan and Michael.
