College

College of Central Florida
University of Central Florida

Degree

AS, Nursing
Currently working on RN to BSN

Cynthia joined Hospice of Marion County in February 2010 with more than 21 years of experience in supervision and 14 years of experience in nursing Medical/Oncology, Med-Surg, Cardiac/Telemetry, Endoscopy and case management supervisor for the developmentally disabled as well as long term acute care. Nursing was a career change after the birth of her daughter Ashley. After 14 years of nursing, she found Hospice to be the right fit due to the compassion and care provided to patients at the end of life.

Cynthia is a native of Florida with seven generations that currently live here in the Marion County area. She enjoys reading, decorating and spending time with her daughters. She never tires of going to Florida theme parks as well as the festivals offered here. She especially loves attending plays and art festivals.
