Leigh moved from South Florida in 1988 and settled in Ocala after graduating with 2 degrees, one from CFCC and one from SFCC. Before joining Hospice of Marion County, Leigh was Director of Admissions for Skilled Nursing facilities and a cardiovascular technician. Both positions encompassed her abilities to relate with the patients one on one and her knowledge of the field. When an opportunity to work with Hospice of Marion County was presented; Leigh saw a position that offered not only growth, but potential to do something positive for cardiac patients via the Heartbeats programs and TeleHealth monitoring.

Leigh has three children and enjoys reading, fishing, travelling and spending time with her family.
