Vicky served on the board from 1998 to 2003, and filled a one-year term in 2005, before returning in 2007. She began her career in health care in the 1970's, spending most of her career at Munroe Regional Medical Center as a registered nurse in the coronary care unit. She later moved into leadership and for the past two years has worked as a Nurse Recruiter and Employment Specialist, until her promotion in 2008 to HR Manager.

Vicky's focus is on end-of-life issues and bereavement support for which she is a certified facilitator. In 1998, she received her BS in Health Arts and is currently pursuing a Master's degree in counseling at Webster's University with an anticipated graduation date in fall 2010. Her interests also include parish nursing, church activities and mission trips. She enjoys boating and water sports, bicycling, fourwheeling and motorcycle riding.
